VIRGIL FOX IS PLAYING THE CONCERT MODEL  
HAMMOND ORGAN

The Redewill Music Company and the Central Arizona Chapter, American Guild of Organists take great pleasure in presenting to you Virgil Fox, leading recital organist. This concert is the realization of our desire to have the Hammond organ played by a great artist and heard in the music of the classic masters. Virgil Fox is known the world over, not only as the organist of the Riverside Church in New York City, but as a Columbia and Victor recording artist.
