J. MELVIN BUTLER

J. Melvin Butler has been Organist/choirmaster of St. Mark’s Episcopal Cathedral in Seattle since 1992. At St. Mark’s he is responsible for the entire music program which includes directing three choirs and playing the four-manual Flentrop organ. He was Artist-in-residence at the University of Washington for the 1995-96 academic year where he taught undergraduate and graduate organ students. From 1972 through 1991 he was Organist/Choirmaster of the Downtown Presbyterian Church in Rochester, NY. During that time he was also Associate Professor of Church Music at the Eastman School of Music, a violist with the Rochester Philharmonic Orchestra, and Music director and Conductor of the Rochester Bach Festival Chorus. From 1968 to 1972 he was violist with the U.S. Navy String Quartet and Organist of the First Congregational Church in Washington, DC.

As organist, Dr. Butler has concertized extensively in the United States and Great Britain; his New York City debut was in 1971, and his London debut was in 1989 at St. Paul’s Cathedral. Butler has also performed as baroque violist and harpsichordist with the Genesee Baroque Players in Upstate New York. Also a published composer, his works have been performed throughout the United States. In 1983 he was awarded a Winston Churchill Traveling Fellowship by the New York City branch of the English-Speaking Union for choral conducting study in England and Scotland. He often presents master classes and lectures on various aspects of church music, choral conducting, and hymn playing and has been a featured performer-lecturer at several AGO conventions. His recordings appear on the Spectrum and Lofi labels. Originally from Burlington, NC, Butler received the Bachelor of Music degree from the Oberlin Conservatory of music as an organ student of Garth peacock, and the Master of Music and Doctor of Musical Arts degrees from the Eastman School of Music where he studied organ with David Craighead.

BIOGRAPHY

MERRILL N. DAVIS III

Merrill N. Davis III was born in 1941 in Chicago and is known to his many friends as "Jeff." His undergraduate work in organ and church music was under the tutelage of University of Minnesota Professor Emeritus, Arthur B. Jennings, Jr. His Master of Music degree in Organ Performance is from Southern Methodist University. Additional studies have been completed at New York City's Guillemant Organ School, Syracuse University, university of Minnesota, and in France where he studied improvisational techniques.

"Jeff" has been the recipient of the National Guild of Musical Artists Award for Outstanding Performance and in 1974 was chosen as one of the world's four finalists at the International Organ Improvisation Competition in Haarlem, the Netherlands. More recently— he has just returned after receiving rave reviews from his performance at this past autumn's 30th International Organ Festival in Olomouc, Moravia. Davis has been heard in concert in Europe, on Soviet television, and in numerous colleges, universities, churches, cathedrals, music exhibitions, on recordings, and radio programs throughout the United States and Canada. He is often called upon by various organ builders to inaugurate new organ installations— many of which he himself has designed. Since 1992, Merrill Davis has served as distributor for Rieger-Kloss, the world's largest builder of pipe organs. For the past thirty years he has resided in Rochester, Minnesota— home of the resident church musician in two of the city's prominent congregations. From time to time "Jeff" commutes to Chicago where he presides as permanent guest organist at one of that city's large loop churches.

Dear Dean Sather,

As a representative of the Ventura County Chapter of the AGO, I ask you to please congratulate your Chapter on your 50 Year Anniversary. That's a big accomplishment! We celebrated our 10th Anniversary at the time when we hosted the Regional Convention in 1993, so we're still in our infancy, time-wise.

I have been impressed with your program planning and implementation during your year of celebration. Wish that I could be there to attend your events. It's an exciting year!

I attended the Regional in Phoenix in 1995 and thoroughly enjoyed it. It was so well planned and executed, including hospitality to all.

May your entire year be one of continuing success and a joy in knowledge and pleasure to all.

Soli Deo Gloria!

(Mrs.) Louise Bergmann, Dean
Ventura County Chapter
American Guild of Organists
GREETINGS TO ALL FROM BEAUTIFUL DOWNTOWN LUBBOCK!

Congrats on your 50-Year Anniversary. I know you're having a wonderful celebration. I'm sorry that I can't be there to be a part of the festivities. However, I'll be there in spirit, and at the appropriate hour, I will lift my glass of Thunderbird in a rousing toast to the Chapter.

Twenty-five years ago, we hosted the National AGO Mid-Winter Conclave. It was a wonderful event and people gossiped about it for years afterwards. Strangely, it was also the LAST Mid-Winter! (it was also shortly afterwards that I left town!)

Looking through my memory book, I came upon two things that will probably give most of you a giggle. The first is a completely "over-the-top" review of the Conclave that was published in the national magazine. Many people whispered that I was blackmailing the reviewer; that is absolutely untrue! (however, it did cost me a bunch of money!)

The second is a copy of the outrageous publicity that we sent out to the entire membership of the Guild. In retrospect, it was a bit tasteless, but – what the heck – we had fun! Note particularly the price: $78 included FOUR NIGHTS, plus all the other meals, transportation, etc. Believe it or not, we even made money on the event!

Well, so much for wallowing in the past. My very best wishes to y'awl. May your chapter continue to flourish - bringing great musical experiences to the Valley of the Sun.

PAX,

Laurel Watkins, Chapter Dean, 1975-55 whose health would not permit her to join us tonight, spoke with Helen Donaldson and asked that her Congratulations be extended to the Chapter on this 50th Anniversary Weekend.

Noel-Paul Laur, chapter member 1982-86, left a message on the CAZAGO Infoline and expressed his Congratulations and regrets that he could not join us this weekend. Noel-Paul is now at 1st Presbyterian Church, 1100 S. Harrison St., Amarillo, TX 79101. Phone: (806) 373-4242 x37.

Our thanks to Laurel Watkins and Noel-Paul Laur for taking the time to call. We also regret that they were unable to join us.
Congratulations! On behalf of the National Council I send our greetings and our gratitude to the Central Arizona Chapter for your many achievements and outstanding successes during your FIRST fifty years! 50 years strong! Wow, what a glorious milestone to reach for the Central Arizona A.G.O. With great delight I remember the marvelous Regional Convention that Central Arizona hosted. At that time, as I am now, I was impressed with the organizational skills as well as your churches, universities and organists that have developed and grown into a great nurturing body for our National as well as Regional A.G.O. This can be attributed to the enthusiasm, professionalism and performance skills of a great group of dedicated musicians. In a geographical area such as yours that is growing in population steadily, it is heartening to note that the Central Arizona Chapter has grown along side. You are all to be congratulated! As your regional Councillor, I take pride in being an ex-officio of your group and rejoice with you at your reaching this great point in the life of the Central Arizona Chapter of the A.G.O.

Best always,

Wilbur (Bill) Martin
Region IX Councillor

Dear Central Arizona Colleagues,

Fifty years! What an accomplishment! I am proud of you and the work you are doing there in the Phoenix area.

I so enjoyed my associations with you during my tenure as your Regional Councillor. I have often commented to colleagues all over the country that you put on a spectacular regional Convention. The thing that impressed me most about it was the show casing of your own members as performers and presenters. They were all fabulous and made me very proud of your chapter. It proved that showing off your own talent can be a great thing. That convention had many wonderful things going for it. Not only that, you remained friends through it all!

Your regular chapter programming has always impressed me as well. The Super Saturdays and the Marathons as well as the social and educational events are great ideas. I know that you have always had a strong Professional Concerns committee as well, and good leadership all around.

So, let me join others in congratulating you. May your next fifty years be as exciting and productive as the first, and may you continue to thrive as a real blossom in the desert.

Soli Deo Gloria

Sandra Soderlund
Councillor for Organizational Concerns
Past Region IX Councillor
Dear Curt and Chapter Members,

What a great pleasure it is to write you with congratulations for your 50th anniversary!

I receive the PIPELINE each month, and marvel at the programs and activities going on in the Phoenix area. I trust that the first program in this 50th anniversary celebration was a truly gala event, and it appears there are many exciting events scheduled for the remainder of your festival year.

I imagine you will discover that this milestone in the chapter history will serve to strengthen and inspire each and every one of you.

Thank you for all you have done and will undoubtedly continue to do in your area to realize the purpose and goal of the guild. Your chapter sets a shining example for the rest of us!

Sincerely yours,

Janet P. Tolman

FIFTY YEARS
1948 TO 1998
THE CENTRAL ARIZONA CHAPTER
of
THE AMERICAN GUILD OF ORGANISTS

A group of 10 musicians met August 23, 1948 at the Redewill Music Company for the purpose of forming a chapter of the American Guild of Organists. A motion was made and unanimously carried to form what was designated the Phoenix Chapter. Officers elected to act until the National Guild Elections in May of 1949 were:

Dean—Sheldon Foote, F.A.G.O.
Sub-Dean—Edgar McFadden
Secretary—Clarence Iverson
Treasurer—Mrs. Retta Burgess
Registrar—Mrs. Clara Taylor

Members signing for Charter Membership on September 20, 1948 were:

It is of honored note that as of January 1999 Mr. Marvin W. Anderson is the only living Charter Member.

Other members added on September 23, 1948 were William J. Reddick and Gene Redewill.

At the October 20 meeting a motion was made and carried to officially change the Chapter name to the Central Arizona Chapter, and this was approved by a letter from the National Headquarters of the American Guild of Organists on October 29, 1948 signed by S. Lewis Elmer, A.A.G.O., Warden (President).

Also at the October 20 meeting organ and symphonic recordings were played (Weinrich, Biggs, Berger) and a December pot-luck was planned. The Chapter hosted a recital by organist Sheldon Foote, and soprano Rosalind Debnam at the Arizona Musical College on March 1, 1949 using a Baldwin organ.

The dues in 1948 were $4 (National $1.10, Diapason $1.75, Chapter $1.15). Dues were raised in 1953 to $5 (National $1.25, Diapason $1.75, Chapter $2.00).

1948-1955

September 1955 Berrell Maury-Drake (still a current member) became Dean.
Other officers were: Sub-Dean, Orpha Ochse; Treasurer, Ed Russell; Correspondence Secretary, Rowena Otwell; and Recording Secretary, Ruth Bauerbach.
